

Register of Members' Financial Interests

Within one month of your election, you must send a completed registration form to the Parliamentary Commissioner for Standards.

After that you must register any changes or additions to your interests **within 28 days**.

The Register provides information about any financial interest or other material benefit which others might reasonably consider to influence what you say or do as an MP. The House has set the rules on this. This form summarises the rules, but if you are unsure of anything please consult:

- Guide to the Rules relating to the conduct of Members:
www.publications.parliament.uk/pa/cm/cmcode.htm
- The Registrar's team in the office of the Parliamentary Commissioner for Standards,
for confidential advice: **020 7219 3277 or 0311**; email: commonsregistrar@parliament.uk
- The Electoral Commission, for advice on permissible donors: **0333 103 1928**

Please score through any unused pages and sign the declaration on the last page. If you need more space, please add your name, constituency and the date to any additional pages.

Use Section 1.1 to register any payment, in money or in kind, for employment or directorships outside the House if it was received since you were elected. This includes payments for work done either before or after your election; redundancy and ex gratia payments, and payments for speeches or opinion surveys.

2 Unless this would be contrary to any legal or established professional duty of privacy or confidentiality.

3 If the work was done before you were elected to Parliament, please add “No hours since my election”.

After receiving a donation of over £500 (or over £50 in the regulated period, which runs from when you became a candidate to polling day) you must check that the donor is permissible before accepting it. For further information on permissible donors see the Guide to the Rules, or call the Electoral Commission on 0333 103 1928.

I wish to register the following support for my activities as a MP, or for candidacy at an election for parliamentary or non-parliamentary office. *** You are considered to have a clear link to a donation if for example it was given to a party organisation with a wish that it be allocated to you, to your fighting fund or to a front bench office which you hold; if it was assigned to you in circumstances where you were aware, or could reasonably be expected to be aware, of the identity of the donor; or if you had invited or encouraged the donation.**

⁶ You have 30 days from receipt of a donation to check the permissibility of the donor before returning or accepting it. You then have 28 days from the date of acceptance to register the details with the House.
